HEADWAY ACQUIRES NEW YORK HOSPITALITY AND NATIONAL EVENT STAFFING BUSINESS

Through acquiring staffing business from Shiftgig, Headway adds Event Staffing to its already robust, nationwide offerings and expands its Hospitality footprint into the New York market.

RALEIGH, NC — April 18th, 2019 – [Headway Workforce Solutions](https://www.headwaywfs.com), a leading North American workforce solutions and business process outsourcing company announced the acquisition of the New York hospitality and national event staffing business from Shiftgig. This acquisition fortifies Headway’s position as a nationwide provider of workforce services across an array of industry sectors, each with unique challenges and demands.

Headway will continue to use Deploy, Shiftgig’s software platform that connects businesses to thousands of pre-qualified, ready-to-work professionals. With a database of thousands of candidates and the rapid posting of available positions nationwide, the software provides immediate connectivity between job seekers and the employers who need them. Adding this tool to Headway’s innovative recruitment operations and back office capabilities, Headway will provide existing and future clients with a full-service solution second to none.

J.P. Sakey, Executive Chairman of Headway Workforce Solutions stated, “Shiftgig has built a cutting edge business model and tool set in the hospitality and events staffing sectors. We are fortunate to assume their New York based hospitality staffing market and their national event staffing business line. These business lines will fit well with our existing national footprint of solutions and sectors. We look forward to providing many years of quality services to these important clients.”

About Shiftgig

Shiftgig is a workforce technology company focused on empowering people to find local employment opportunities that fit their lifestyles, schedules, and career objectives. The

company's flagship software platform, Deploy, helps businesses do just that. With a flexible software-as-a-service model, Shiftgig enables leading companies of all sizes with flexible talent pools to retain, optimize, and redeploy their workforce.
